Be Recognized for your Enhanced Capabilities in Agile Analysis

AAC exam questions are aligned with the Agile Extension to the BABOK® Guide developed in collaboration with the Agile Alliance.

Based on experiential learning, the Agile Extension introduces a rolling planning model with three **planning horizons: strategy, initiative and delivery** to help you adapt quickly to changing customer needs and ensure customer value is always added.

Agile Extension also includes:

- Business Analysis Core Concept Model™
- Feature Driven Development
- Impact Mapping
- Value Modelling
- Visioning
- Plus, much more.
